Backend Devleoper

I completed a Bachelor's degree of Information Technology in Loyola-ICAM college of Engineering and Technology. My academic journey has been complemented by hands-on-experiences gained through internships and some extra curricular activities. I am Committed to continuous learning and growth, I am excited about the prospect of applying my knowledge to make meaningful contributions in the field of engineering. Innovative Backend Developer known for high productivity and efficient task completion. Possess specialized skills in API development, database management, and cloud services integration. Excel in problem-solving, teamwork, and adaptability, ensuring smooth project execution and collaboration with cross-functional teams.

WORK EXPERIENCE

Dvara KGFS

07/2025 - Present
chennai

Backend Developer • Full-time

- Implemented RESTful web services for diverse client-side applications.
- Developed RESTful APIs to enhance core banking functionalities.
- Wrote unit tests to verify code quality and reliability, leading to more robust applications.
- Participated in code reviews to uphold coding standards and best practices.
- Debugged application issues to optimize system performance and user experience.

8Queens

07/2024 - 08/2024
chennai

UI&UX Designing • Internship

- Completed day-to-day duties accurately and efficiently.
- Contributed innovative ideas and solutions to enhance team performance and outcomes.
- Achieved cost-savings by developing functional solutions to problems.

Open weaver

07/2023 - 08/2023
chennai

Full Stack Developer • Internship

- Optimized system performance by debugging application issues, significantly improving user experience and reducing downtime across multiple platforms.
- Implemented a robust debugging process that improved application reliability and user satisfaction, fostering collaboration among team members.

EDUCATION

B.Tech Information Technology

Loyola-Icam College of Engineering and Technology • GPA: 8.6

01/2021 - 01/2025

HSC

Bethel Matriculation Higher Secondary School • GPA: 93.64%

01/2020 - 01/2021

SSLC

Bethel Matriculation Higher Secondary School • GPA: 90.6%

01/2028 - 01/2019

CERTIFICATIONS

The Complete Ruby on Rails Developer Course

11/2024

Udemy

Python for Data Science

NPTEL

09/2024

Build a Full Stack App using React and Express

AWARDS & SCHOLARSHIPS

E-waste Facility Locator

Smart India Hackathon

Makeathon- Flexie (Finalist)

Open Weaver

PROJECTS

Tank Tect

Detecting and protecting tank water quality during floods with sensor technology.

Smart Town/City

This is a shelter to livestock that suffers during floods and disasters.

E-waste Currency Converter

This project is to convert the currencies of one country to another.

SKILLS

Technical Skills: API integration, Database optimization, Java, MongoDB, MySQL, Strong debugging skills

Tools: Canva, Figma, MS Excel, MS Word

Soft Skills: Communication, Leadership, Self Management, Team Management
